Height Adjustable Standing Desk Frame

- Dual Benching
- Multi-Options
- Functional

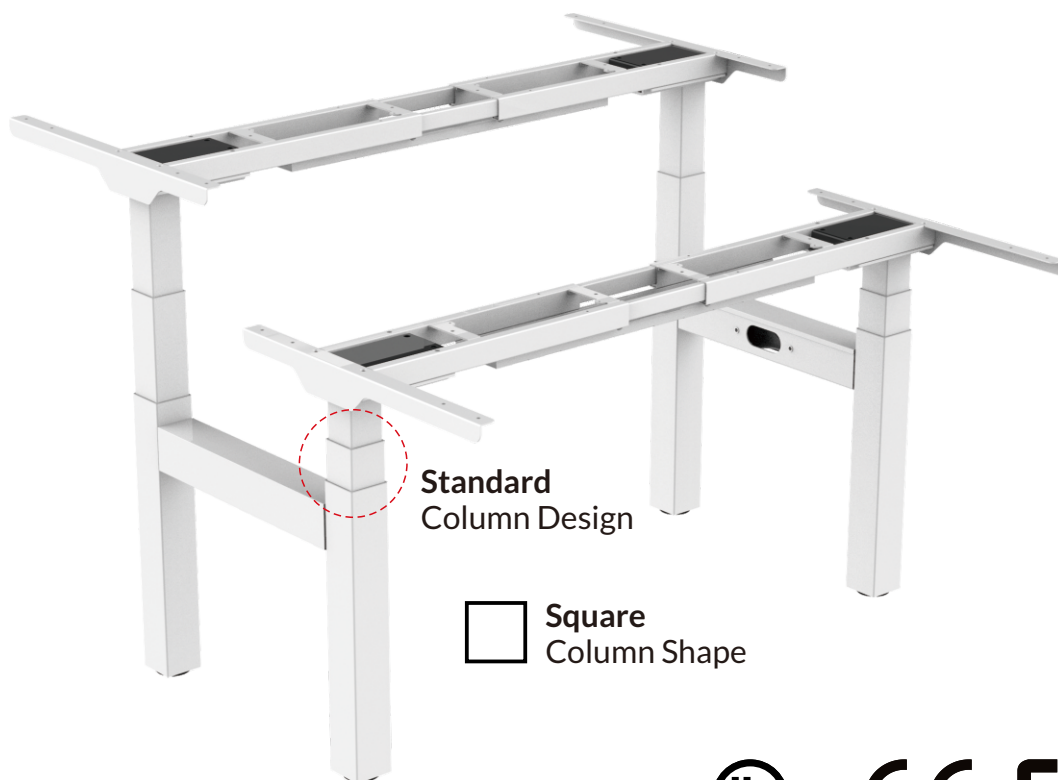

Theodist sit-stand desks are designed to provide users with sit-stand flexibility. Research has shown that sitting too much is not healthy but standing all day while working is also a challenging prospect for many workers. Our height adjustable desks enable a user to effortlessly sit or stand, encouraging healthy movements throughout the day. The open-architecture design offers optimum knee and easy access below the surface. With a clean, universal aesthetic, the height adjustable desk is easily incorporated into any office or home environment.
